Record submitted by a member of the LDS Church. The record often shows the name of the individual and his or her relationship to a descendant, shown as the heir, family representative, or relative. The original records are not indexed, and you may have to look at the film frame-by-frame to find the information you want. A family group record for this couple may be in the Family Group Record Collection; Archive Section. (See the Family History Library Catalog for the film number.) These records are alphabetical by name of the father or husband.
